

Wireless Optical Mouse

1620

Reliable 2.4 GHz wireless connection

High resolution 1000 DPI sensor

Up to 12 months battery life

Wireless Optical Mouse

1620

Think big: This mouse is ideal for anyone who works a lot on the go with a notebook and has large hands. Thanks to its slightly elongated shape, the 1620 is perfect for bigger palms without being too bulky for mobile use. The high resolution 1000 DPI sensor

offers total control and maximum precision. Thanks to Rapoo's latest energy-saving technologies the 1620 lasts for up to 12 months on just a single AA battery, saving you from the hassle of changing batteries.

► Reliable 2.4 GHz wireless connection

Carefree wireless: The proven Advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

► High resolution 1000 DPI sensor

Enjoy total control: The high-performance 1000 DPI optical sensor offers you smooth and accurate mouse-pointer control.

► Up to 12 months battery life

Low energy consumption: Rapoo's latest energy-saving technology combined with the on/off switch means you can use this mouse continuously for up to 12 months.
