## Belt Cable (USB-C to USB-C)

### About The Product

Unlock the new standard of charging. An everyday charging solution designed with Power Delivery support for the fastest charge ever in refined style.

### Why have we created Belt Cable?

When designing our solution for your newest tech, we combined two of our most-loved cables to create an alternative deserving of the latest in tech and ideal for a mobile, digital-heavy lifestyle. A balance of form with function: ensured durability and enough length to always comfortably use your device, married with a bold design that's easily packed into any bag or luggage with our signature leather belt.

### Thoughtfully designed to fit your lifestyle

- For Type-C phones & tablets
- Made better for the Earth with an innovative eco-friendly construction: 100% recycled PET braiding, 100% recycled TPU housing & 75% recycled bonded leather strap
- Stay tangle-free with the recycled bonded leather strap
