(RE)CLASSIC WALLET | MAGNETIC

About The Product

Your phone and wallet, all in one. Keep three of your most-used cards always in reach with strong built-in magnets that ensure secure attachment to your phone. Durably crafted with an eco-conscious leather-like alternative and finished with an elegant textured contrast – it's easy and elevated everyday carry.

Why have we created (RE)CLASSIC Wallet?

We strive to make everyday on-the-go as streamlined and as simple as possible. This take on the card holder phone case features a detachable card holder for easy access to MagSafe charging, while still being safe, and secure when snapped on. Made with a durable animal-free leather alternative to leather, the same durable material used in the (Re)Classic iPhone case, this magnetic card holder is a planet positive alternative to effortless carry.

Thoughtfully designed to fit your lifestyle

- Carry lighter with a slim design that houses three of your most essential cards
- Compatible with all MagSafe cases & phones via strong built-in magnets
- Crafted with a durable, recycled & animal-free leather alternative
- Seamless access to your cards with rear access port
 - just slide out
- Bundle with (Re)Classic Case and (Re)Classic Sling for more versatility in your carry
